Travel Associates Concierge

Inspiring you to discover the world in ways you've never previously imagined.

The benefits of using Travel Associates Concierge

Experienced travel consultants

With an average of 15 years in the industry, your dedicated travel consultant will assist in arranging your vacation, taking care of the smallest details to save you time. We are dedicated to providing the highest level of customer service, going above and beyond to give you the most memorable vacation experience.

One Stop Shop

Enjoy full access to the Flight Centre Travel Group's vast product range and specially negotiated rates for year-round custom travel offers including airfare, tours, cruises, hotels and vacation packages.

Fast response

Travel Associates Concierge guarantees a response to inquiries during the same business day with a request for consultation. Once we establish your specific needs, we will provide a detailed itinerary within 24-48 hours depending on the trip's complexity.

24 Hour Emergency Assistance

We provide you with emergency assistance from anywhere in the world, 24 hours a day to assist with any last minute or unexpected changes to your travel plans.

\$100 gift certificate[^]

In addition to all of these benefits, each employee will receive a \$100 gift certificate[^] towards their first vacation package of five nights or more when they register with Travel Associates Concierge. A package consists of air and a land component such as hotel, tour, cruise, etc.
