We sincerely hope you will take pride in being an important part of Apollo's success.

Please take time to review the policies contained in this handbook. If you have questions, feel free to ask your supervisor or to contact the Human Resources (HR) department.

This handbook is intended as a general overview of Apollo Mechanical Contractors (hereinafter referred to as “Apollo” or the company) policies, benefits, and procedures. These statements are not intended to be exhaustive and are subject to change by Apollo without prior notice. Policy updates will be communicated to you as they are made.

2. Employment at Will

Employment at Apollo is at will. This means that employment may be terminated by the company or employee at any time for any reason. Nothing in this handbook is intended or should be construed as altering the at will employment relationship. This handbook is not a contract and is not to be construed as a guarantee of employment.

Nothing in this statement is intended to interfere with, restrain, or prevent concerted activity as protected by the National Labor Relations Act (NLRA). Such activity includes employee communications regarding wages, hours, or other terms or conditions of employment. Apollo employees have the right to engage in or refrain from such activities.

3. Equal Opportunity Employment

As an Affirmative Action, Equal Opportunity Employer, Apollo Mechanical Contractors “Apollo” ensures that no applicant for employment or employee of Apollo is denied equal opportunity because of race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age, disability (mental or physical), genetic information, veteran status, or any other characteristic of his or her relatives, friends, or associates.

SCOPE

Apollo's Equal Employment Opportunity (EEO) Policy applies to all aspects of the relationship between Apollo and its applicants and employees. We are committed to ensuring that:

- All recruitment, hiring, employment, training, promotion, transfer, termination, layoff, recall, leave of absence, compensation, working conditions, and other employment-related programs are provided fairly to all persons on an equal opportunity basis.
- Employees and applicants will not be subjected to harassment, intimidation, threats, retaliation, coercion, or discrimination because they have exercised any right protected by law.
- Reasonable accommodation will be made for employees and applicants with disabilities, and for religious observances and practices.

IMPLEMENTATION OF POLICY

The Director of Human Resources serves as our Equal Opportunity Coordinator and has overall responsibility for ensuring compliance with this policy. The HR Department is responsible for and will maintain personnel records in compliance with applicable laws and regulations.

Each of us must take responsibility for implementing Apollo's EEO Policy and cooperating fully in its enforcement. In doing so, we reaffirm our company's commitment to a workplace free of discrimination, harassment, and retaliation.

All supervisors are aware of this policy and accept the responsibility to uphold equal employment practices. Employees and applicants for employment have the right to report incidents of discrimination or harassment without fear of retaliation.

COMPLAINT PROCEDURES

Violations of this policy will not be tolerated. Apollo will promptly, thoroughly, and fairly investigate every issue that is brought to its attention in this area and will take disciplinary action, when appropriate, up to and including termination of employment.

Any Apollo employee or applicant who believes they have been subjected to discrimination or retaliation should contact Apollo's Human Resource Department at 509-579-4874 or HR@apollomech.com.

For a copy of the full Affirmative Action plan please send a request to HR at HR@apollomech.com.

4. Non-Discrimination and Anti-Harassment

Apollo Mechanical Contractors "Apollo" is committed to maintaining a workplace free of discrimination, harassment, and retaliation. Everyone has a right to work in a professional atmosphere that promotes dignity and respect. Apollo will not tolerate discrimination, harassment, or retaliation of any kind based on any protected characteristic.

SCOPE

All employees, regardless of their positions, are covered by and expected to comply with this policy and respond appropriately to ensure that prohibited conduct does not occur. Appropriate disciplinary action will be taken against any employee who violates this policy. Based on the seriousness of the offense, disciplinary action may include verbal or written reprimand, suspension, or termination of employment.

Managers and supervisors who knowingly allow or tolerate discrimination, harassment, or retaliation, including failure to immediately report such misconduct to human resources (HR), are in violation of this policy and subject to discipline.

DISCRIMINATION

It is a violation of Apollo's policy to discriminate against anyone based on race, color, national origin, sex (including pregnancy, gender identity, and sexual orientation), religion, disability, age (age 40 or older), genetic information, or any characteristic of his or her relatives, friends, or associates.

APOLLO will endeavor to make a reasonable accommodation of an otherwise qualified applicant or employee related to an individual's physical or mental disability, sincerely held religious beliefs and practices, and/or any other reason required by applicable law, unless doing so would impose an undue hardship upon APOLLO's business operations.

Discrimination in violation of this policy will be subject to disciplinary measures up to and including termination.

HARASSMENT

Apollo prohibits harassment of any kind, based on any protected characteristic, including sexual harassment, and will take appropriate and immediate action in response to complaints or knowledge of violations of this policy.

Workplace harassment based on race, color, national origin, sex (including pregnancy, gender identity, and sexual orientation), religion, disability, age (age 40 or older), or genetic information, or any characteristic of his or her relatives, friends, or associates is a form of discriminatory behavior.

Harassment consists of unwelcome verbal, written, or physical conduct which creates an intimidating, hostile, or offensive working environment or has the purpose or effect of unreasonably interfering with an individual's work performance, or otherwise adversely affects an individual's employment opportunities.

Harassing conduct includes slurs, comments, jokes, innuendoes, compliments, pictures, cartoons, pranks, or negative stereotyping; threatening, intimidating, or hostile acts; and written or graphic material that denigrates or shows hostility or aversion toward an individual or group that is placed on walls or elsewhere on the employer's premises or circulated in the workplace, on company time, or using company equipment by e-mail, phone (including voice messages), text messages, social networking sites, or other means.

Such conduct in any form is prohibited in the workplace, at work-related functions, or outside of work if it affects employees in the workplace.

All employees must ensure they understand this policy and their obligations. Whether an employee's conduct violates this policy will be based on how an employee's conduct is received and whether a reasonable person would find the conduct to be in violation of the policy.

Harassment in violation of this policy will be subject to disciplinary measures up to and including termination.

SEXUAL HARASSMENT

Sexual harassment is strictly prohibited and will not be tolerated. Employees are prohibited from harassing others both on and off the employer premises and during or outside of work hours.

Sexual harassment is unwelcome conduct of a sexual nature that is persistent or offensive and interferes with an employee's job performance or creates an intimidating, hostile or offensive work environment.

Sexual harassment occurs when unsolicited and unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature:

- Is made explicitly or implicitly a term or condition of an individual's employment.
- Is used as a basis for an employment decision and could affect such individuals.
- Unreasonably interferes with an employee's work performance or creates an intimidating, hostile, or otherwise offensive working environment.

Sexual harassment can be physical and psychological in nature. An aggregation of incidents can constitute sexual harassment even if one of the incidents considered on its own would not be harassing.

Though sexual harassment encompasses a wide range of conduct, some examples of prohibited conduct include the following:

- Verbal sexual harassment includes innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, lewd remarks, and threats; requests for any type of sexual favor (this includes repeated, unwelcome requests for dates); and verbal abuse or "kidding" that is oriented toward a prohibitive form of harassment, including that which is sexual in nature and unwelcome.
- Nonverbal sexual harassment includes the distribution, display or discussion of any written or graphic material, including calendars, posters and cartoons that are sexually suggestive or show hostility toward an individual or group because of sex; suggestive or insulting sounds; leering; staring; whistling; obscene gestures; content in letters, notes, facsimiles, e-mails, photos, text messages, tweets and Internet postings; or other forms of communication that are sexual in nature and offensive.
- Physical sexual harassment includes unwelcome, unwanted physical contact, including touching, tickling, pinching, patting, brushing up against, hugging, cornering, kissing, fondling, and forced sexual intercourse, or assault.

Courteous, mutually respectful, pleasant, noncoercive interactions between employees that are appropriate in the workplace and acceptable to and welcomed by both parties are not considered to be harassment, including sexual harassment.

Appropriate performance reviews, counseling or discipline by your manager do not constitute harassment.

RETALIATION

Retaliation or discrimination against an employee who reports a suspected incident of discrimination or harassment, or who cooperates in an investigation, or who opposes employment practices they reasonably believe discriminate against individuals is prohibited. Some examples of retaliation may include change in position, pay, work schedule, job duties, or termination.

Employees who violate this policy or retaliate against an employee in any way will be subject to disciplinary action up to and including termination.

GENERAL PRINCIPLES

Apollo will take appropriate and immediate action in response to complaints or knowledge of violations of this policy.

Individuals who believe they are being subjected to harassment, intimidation, or retaliation are encouraged to advise the offender that his or her behavior is unwelcome and to request that it be discontinued. Apollo recognizes, however, that an individual may prefer to pursue the matter through the complaint procedure. If the individual is uncomfortable confronting the harasser, or the conduct does not stop, the individual must bring this to the attention of the Human Resources Director immediately so that steps may be taken to protect the employee from further harassment, and appropriate investigative and disciplinary measures may be initiated.

The company will treat all aspects of the procedure confidentially to the extent reasonably possible, and information is disclosed strictly on a need-to-know basis.

SUPERVISOR'S RESPONSIBILITIES

Each manager or supervisor is responsible for preventing and stopping acts of harassment, including, but not be limited to monitoring the unit work environment daily for signs that harassment may be occurring and stopping any observed act that may be considered harassment.

Any manager or supervisor who receives a complaint of harassment, discrimination, or retaliation must inform the HR Director of the allegations so that a prompt investigation may be conducted.

COMPLAINT PROCEDURES

Apollo has established the following procedure for employees who believe that they have been victims of conduct prohibited by this policy or believe they have witnessed such conduct to lodge a complaint of harassment, discrimination, or retaliation.

- Complaints should be submitted as soon as possible after an incident has occurred, preferably in writing. The HR Director may assist the complainant in completing a written statement or, in the event an employee declines to provide information in writing, the HR Director will dictate the verbal complaint.
- Upon receiving a complaint or being advised by a supervisor or manager that a violation of this policy may be occurring, the HR Director will notify senior management.
- The HR Director will initiate or coordinate an investigation to determine whether there is a reasonable basis for believing that the alleged violation of this policy occurred.

- If necessary, the complainant and the respondent will be separated during the course of the investigation, either through internal transfer or administrative leave.
- The investigation will include interviewing the complainant, the respondent, and any witnesses to determine whether the alleged conduct occurred.
- If it is determined that a violation of this policy has occurred, the HR Director will recommend appropriate disciplinary action. The appropriate action will depend on the following factors:
 - the severity, frequency, and pervasiveness of the conduct.
 - prior complaints made by the complainant.
 - prior complaints made against the respondent; and
 - the quality of the evidence (e.g., firsthand knowledge, credible corroboration).

If the investigation is inconclusive or if it is determined that there has been no violation of policy, but potentially problematic conduct may have occurred, the HR Director may recommend appropriate preventive action.

- Senior management will review the investigative report summary, discuss the results of the investigation with the HR Director and other management staff as appropriate, and decide what action, if any, will be taken.
- Once a final decision is made by senior management, the HR Director will meet with the complainant and the respondent separately and notify them of the findings of the investigation. If disciplinary action is to be taken, the respondent will be informed of the nature of the discipline and how it will be executed.
- A confidential file of discrimination, harassment, or retaliation will be maintained in a secure location.
- The HR Director, along with the complainant's supervisor will monitor the workplace to make sure no retaliation or recurrence of the harassment is taking place.

Sexual harassment in violation of this policy will be subject to disciplinary measures up to and including termination.

5. Americans with Disabilities Act (ADA) and Reasonable Accommodation

Apollo is committed to the fair and equal employment of individuals with disabilities under the ADA. It is Apollo's policy to provide reasonable accommodation to qualified individuals with disabilities unless the accommodation would impose an undue hardship on the company. Apollo prohibits any harassment of, or discriminatory treatment of, employees or applicants based on a disability or because an employee has requested reasonable accommodation.

In accordance with the ADA, reasonable accommodations will be provided to qualified individuals with disabilities to enable them to perform the essential functions of their jobs or to enjoy the equal benefits and privileges of employment. An employee or applicant with a disability may request an accommodation from the HR department and should specify what accommodation is needed to perform the job and submit supporting documentation explaining the basis for the requested accommodation, to the extent permitted and in accordance with applicable law. The company then will review and analyze the request, including engaging in an interactive process with the employee or applicant, to identify if such an accommodation can be made, or if any other possible accommodation is appropriate. If

requested, the employee is responsible for providing medical documentation regarding the disability and possible accommodation. All information obtained concerning the medical condition or history of an applicant or employee will be treated as confidential information, maintained in separate medical files, and disclosed only as permitted by law.

It is the policy of Apollo to prohibit harassment or discrimination based on disability or because an employee has requested reasonable accommodation. Apollo prohibits retaliation against employees for exercising their rights under the ADA or other applicable civil rights laws. Employees should use the procedures described in the Harassment and Complaint Procedure to report any harassment, discrimination, or retaliation they have experienced or witnessed.

6. Commitment To Diversity

Apollo is committed to creating and maintaining a workplace in which all employees have an opportunity to participate and contribute to the success of the business and are valued for their skills, experience, and unique perspectives. This commitment is embodied in company policy and the way we do business at Apollo and is an important principle of sound business management.

7. Romantic or Sexual Relationships

Apollo strongly discourages romantic or sexual relationships between a manager or other supervisory employee and an employee who reports directly or indirectly to that person, because such relationships tend to create compromising conflicts of interest or the appearance of such conflicts. In addition, such a relationship may give rise to the perception by others that there is favoritism or bias in employment decisions affecting the staff employee. Moreover, given the uneven balance of power within such relationships, consent by the staff member is suspect and may be viewed by others, or at a later date by the staff member, as having been given as the result of coercion or intimidation. The atmosphere created by such appearances of bias, favoritism, intimidation, coercion, or exploitation undermines the spirit of trust and mutual respect that is essential to a healthy work environment. If there is such a relationship, the parties need to be aware that one or both may be moved to a different department or other actions may be taken.

8. Consensual Romantic or Sexual Relationships Mandatory Reporting

If any employee of Apollo enters a consensual relationship that is romantic or sexual in nature with an employee who reports directly or indirectly to that employee, or if one of the parties is in a supervisory capacity in the same department in which the other party works, the parties must notify the HR Director immediately in writing. Because of potential issues regarding quid pro quo harassment, Apollo has made reporting mandatory. This requirement does not apply to employees who do not work in the same department or to parties where neither one supervises or otherwise manages responsibilities over the other.

Once the relationship is made known to Apollo, the company will review the situation with human resources considering all the facts (reporting relationship between the parties, effect on co-workers, job titles of the parties, etc.) and will determine whether one or both parties need to be moved to another job or department. If it is determined that one party must be moved, and there are jobs in other departments

available for both, the parties may decide who will be the one to apply for a new position. If the parties cannot amicably come to a decision, or the party is not chosen for the position to which he or she applied, the HR Director and senior management will decide which party will be moved. That decision will be based on which move will be least disruptive to the organization. If no other jobs are available for either party, the parties will be given the option of terminating their relationship or resigning.

9. Secondary Employment

While employed at Apollo, employees are not permitted to engage in outside employment that conflicts with the nature of Apollo's business, competes with Apollo, conducts business with Apollo or otherwise interferes with an employee's ability to perform their work according to Apollo's established standards of performance and work rules. Further, employees may not conduct business connected to outside employment during the hours an employee is scheduled to work at Apollo.

An exception to this policy may be made with prior written approval from the Apollo Board of Directors. If an exception is granted, employees may not use Apollo paid sick leave to perform work for another employer. Violation of this policy may result in corrective action, up to and including termination of employment.

Apollo applies this policy consistently and without discrimination to all employees, and in compliance with all applicable employment and labor laws and regulations.

10. Attendance

Apollo expects that each employee will be ready to work at their starting time each day. Absenteeism and tardiness place a burden on other employees and on the company. Habitual absenteeism can result in disciplinary action, including termination.

For employees with PTO (Paid Time Off), all excused absences from work will be counted as PTO until all accrued PTO is used up. Absences not covered by PTO, or another form of paid leave will be unpaid and unexcused absences.

11. Jury Duty

If you are called for jury duty, please notify your supervisor as soon as possible. If you are released from serving that day you will be expected to return to work. Any time spent serving on a jury will not be paid by Apollo. You may choose to use your Paid Time Off (PTO) to cover any time missed from work.

12. Vacation Pay

Some employees receive Vacation Pay as a benefit of employment with Apollo. This time can be used to cover the time away from work for a scheduled workday. Requests for vacation need to be submitted in advance to your supervisor for approval. Vacation has no cash value and will not be carried over into the next calendar year.

13. Holidays

(d) The following public health emergencies are permissible uses of sick leave unless the employee is employed as a first responder:

(a)

Employees who have been employed by the same employer for at least twelve (12) consecutive months as full-time employees, as determined by the employer at the job site or location, may be absent from such employment for a period not to exceed four (4) months for adoption, pregnancy, childbirth and nursing an infant, where applicable, referred to as "leave" in this section. With regard to adoption, the four-month period shall begin at the time an employee receives custody of the child.

(b)

(1) Employees who give at least three (3) months' advance notice to their employer of their anticipated date of departure for such leave, their length of leave, and their intention to return to full-time employment after leave, shall be restored to their previous or similar positions with the same status, pay, length of service credit and seniority, wherever applicable, as of the date of their leave.

(2) Employees who are prevented from giving three (3) months' advance notice because of a medical emergency that necessitates that leave begin earlier than originally anticipated shall not forfeit their rights and benefits under this section solely because of their failure to give three (3) months' advance notice.

(3) Employees who are prevented from giving three (3) months' advance notice because the notice of adoption was received less than three (3) months in advance shall not forfeit their rights and benefits under this section solely because of their failure to give three (3) month's advance notice.

(c)

(1) Leave may be with or without pay at the discretion of the employer. Such leave shall not affect the employees' right to receive vacation time, sick leave, bonuses, advancement, seniority, length of service credit, benefits, plans or programs for which the employees were eligible at the date of their leave, and any other benefits or rights of their employment incident to the employees' employment position; provided, that the employer need not provide for the cost of any benefits, plans or programs during the period of such leave, unless such employer so provides for all employees on leaves of absence.

(2) If an employee's job position is so unique that the employer cannot, after reasonable efforts, fill that position temporarily, then the employer shall not be liable under this section for failure to reinstate the employee at the end of the leave period.

(4) Whenever the employer shall determine that the employee will not be reinstated at the end of the leave because the employee's position cannot be filled temporarily or because the employee has used the leave to pursue employment opportunities or to work for another employer, the employer shall so notify the employee.

(d) Nothing contained within this section shall be construed to:

(1) Affect any bargaining agreement or company policy that provides for greater or additional benefits than those required under this section;

(2) Apply to any employer who employs fewer than one hundred (100) full-time employees on a permanent basis at the job site or location; or

(3) Diminish or restrict the rights of teachers to leave pursuant to title 49, chapter 5, part 7, or to return or to be reinstated after leave.

(e) This section shall be included in the next employee handbook published by the employer after May 27, 2005.

COLORADO STATE ADDENDUM

*This addendum applies to Apollo employees who are working in the state of Colorado. If you are employed in the state of Colorado, please refer to this addendum for state specific laws that apply to Colorado State employees.

D. Colorado State Addendum

1. Healthy Families and Workplaces Act (HFWA)

The HFWA requires Colorado employers to provide two types of paid sick leave to employees: Public Health Emergency (PHE) leave and accrued leave. The following points apply to both PHE and accrued leave.

- Leave must be paid for time on leave, and at the same pay rate the employee earns during time worked.
- Leave cannot be counted against employees as absences that may lead to firing or other negative action.

2. Accrued Paid Sick Leave

Effective January 1, 2021, employers are required to provide one hour of paid leave per 30 hours worked, up to 48 hours per year.

Accrued leave is usable for a wide range of health and safety needs which include the following:

- Any mental or physical illness, injury, or health condition that prevents work.
- Diagnosis, care, or treatment of such conditions.
- Preventative care (including vaccination)
- Needs due to suffering domestic violence, sexual abuse, or criminal harassment; or caring for family with such conditions or needs.

Employees are required to provide documentation when using accrued paid sick leave that is four consecutive days or longer. Documentation can be provided by the employee after the leave ends.

3. Public Health Emergency Leave (PHE)-**THIS LEAVE ENDS MAY 11, 2023, WITH THE END OF THE FEDERAL PUBLIC HEALTH EMERGENCY.**

In addition to “accrued paid sick leave” all Colorado employers, regardless of size or industry, must provide employees 2 weeks (80 hours, or less for part time employees) with public health emergency leave (PHE). This continues as long as a federal or state public health emergency is declared.

PHE leave is usable for a range of PHE-related needs, not just for confirmed cases. PHE-related needs include:

- Symptoms of COVID, FLU, RSV, or other similar respiratory illnesses
- Quarantining or isolating due to exposure
- Testing for COVID or similar respiratory illnesses
- Vaccination and its side effects
- Inability to work due to health conditions that may increase susceptibility or risk of COVID, flu, RSV or similar respiratory illnesses.
- Needs to care for family (illness, school closure etc.)

Documentation is not required to use PHE related needs.

This 80-hour PHE leave will continue until four weeks after all applicable PHE declarations end or are suspended. **PHE emergency leave is expected to continue until February 2023** but will continue longer if either the federal or the state PHE declaration is renewed further into 2023.

4. FAMLI (Family and Medical Leave Insurance Program) Notice

COLORADO
Family and Medical Leave
Insurance Program (FAMLI)
Department of Labor and Employment

2023 FAMLI Program Notice

Deductions from Employee Wages start January 1, 2023

- The employee share of FAMLI premiums is set at 0.45% of employee wages through 2024. For 2025 and beyond, the director of the FAMLI Division sets the premium rate according to a formula based on the monetary value of the fund each year. Employers with a total of ten or more employees nationwide must also contribute an additional 0.45% of wages for a total of 0.9%, but employers with nine or fewer employees are only responsible for sending the 0.45% employee share to the FAMLI Division.
- **Starting in 2023, employers may begin deducting up to 0.45% from employees' wages for FAMLI contributions.** This can be done through a simple payroll deduction, and employees will notice the deduction on their regular paychecks. Employers are responsible for collecting those deductions and sending them into the FAMLI Division on behalf of their employees once a quarter.

Benefits start January 1, 2024

- Starting in 2024, paid family and medical leave benefits are available to most Colorado employees who have a qualifying condition and who earned \$2,500 over the previous year for work performed in Colorado.
- The qualifying conditions for paid family and medical leave are:
 - Caring for a new child during the first year after the birth, adoption, or foster care placement of that child.
 - Caring for a family member with a serious health condition.
 - Caring for your own serious health condition.
 - Making arrangements for a family member's military deployment.
 - Obtaining safe housing, care, and/or legal assistance in response to domestic violence, stalking, sexual assault, or sexual abuse.
- Covered employees are entitled to up to 12 weeks of paid family and medical leave per year. Individuals with serious health conditions caused by pregnancy complications or childbirth complications are entitled to up to 4 more weeks of paid family and medical leave per year for a total of 16 weeks.
- Leave may be taken continuously, intermittently, or in the form of a reduced schedule.
- Leave will be paid at a rate of up to 90% of the employee's average weekly wage, based on a sliding scale. Employees may estimate their benefits by using the benefits calculator available at famli.colorado.gov.
- You don't have to work for your employer a minimum amount of time in order to qualify for paid family and medical leave benefits.
- If FAMLI leave is used for a reason that also qualifies as leave under the federal FMLA, then the leave will also count as FMLA leave used.
- Employees may choose to use sick leave or other paid time off before using FAMLI benefits, but they are not required to do so.
- Employers and employees may mutually agree to supplement FAMLI benefits with sick leave or other paid time off in order to provide full wage replacement.

Filing Claims

- Employees will not be able to file for benefits until the last quarter of 2023. Benefits will be available starting January 2024. Instructions on how to apply for benefits will be available on famli.colorado.gov in the last quarter of 2023.
- Employees or their designated representatives apply for FAMLI benefits by submitting an application, along with required documentation, directly to the FAMLI Division. Employers cannot make employees apply for FAMLI benefits.
- Applications may be submitted in advance of the absence from work, and in some circumstances, they may be submitted after the absence has begun.
- Approved applications will be paid by the FAMLI Division within two weeks after the claim is properly filed, and every two weeks thereafter for the duration of the approved leave.
- Employees can appeal claim determinations to the FAMLI Division.
- Individuals who attempt to defraud the FAMLI program may be disqualified from receiving benefits.

Job protection and continued benefits

- Employers must maintain health care benefits for employees while they are on FAMLI leave, and both the employer and the employee remain responsible for paying for those benefits in the same amounts as before the leave began.
- An employee who has worked for the employer for at least 180 days is entitled to return to the same position, or an equivalent position, upon their return from FAMLI leave.

Retaliation, Discrimination, and Interference Prohibited

- Employers may not interfere with employees' rights under FAMLI, and may not discriminate or retaliate against them for exercising those rights.
- Employees who suffer retaliation, discrimination, or interference may file suit in court, or may file a complaint with the FAMLI Division.

Other Important Information

- An employer may offer a private plan that provides the same benefits as the state FAMLI plan, and imposes no additional costs or restrictions. Private plans must be approved by the FAMLI Division.
- Employees and employers are encouraged to report FAMLI violations to the FAMLI Division.
